Assessor Comments	A small line of Angus heifers and calves that are extremely quiet. Heifers are in good forward store condition and are doing a great job on their sappy calves with plenty of milk underneath. These young females are nice moderate types at the start of their breeding lives, ready for bull of your choice. These heifers have been vaccinated with 7 in1, Calves are marked and also vaccinated. 1 heifer showing very slight Santa influence with a small navel and small scurs. 1 calf also with very slight scurs.
