Assessor Comments	A good line of heifers in fresh store condition. Heifers have had dry conditions since birth. There are 7 heifers in the group with minor white underneath. Heifers given the opportunity have plenty of genetics to go on and perform in the right conditions. Heifers are sired by Dunoon & Dulverton Angus Bulls. Heifers are grass fed, antibiotic free and EU accredited. Vendor has not retained any heifers due to dry conditions. Vendor has 3 other lots in this sale.
