Assessor Comments	Offering a well bred line of Millah Murrah & Hazeldean blood steers, only 8-9 months of age. Steers have endured a tough dry Monaro winter with not much of a spring in front of them. Presenting in store condition these steers will grow and fatten given the time. Approx 26 noted with ringworm. Steers are the lighter of the mob in this sale. Please not bloodline breakup unknown due to AI and mop up bulls over a total mob of 127. Can help with cartage to Gippsland and Riverina areas with weekly market trucks.
