Assessor Comments: A tremendous draft of vendor bred steers that have gained consistent weight since weaning. The Neander's are very adept at breeding high quality Angus cattle and this draft doesn't disappoint. The evenness, skin and type are all a feature of this group. Banquet bulls have been the primary sires for over a decade, the last 4yrs the addition of Rennylea bulls were bought to bolster IMF & EMA. If you buy this draft you will be a repeat buyer.
