Assessor Comments	11 NSM HBR Angus heifers 12-13 mths old. These heifers consist of the best genetics from Anvil, Premier & Sharinda Angus studs. Zaredda Angus purchased Sharinda's herd when they dispersed in 2024. Three of these heifers are the result of embryos from Anvil & Premier and the balance are from the heart of Sharinda's best cows. Sire include Kenny Roger, Millah Murrah Marlon Brando M304, Quaker Hill Mile High, Dunoon S812 & Sharinda Sjay S7. Zaredda cattle are bred with a focus on structural soundness, docility and doing ability that leave these heifer with a fantastic weight for age making them ideal to put to the bull of your choice. This small draft of fully registered Angus heifers would be an asset to any commercial or stud operation.
