| Assessor Comments            | On offer is a line of Border Leicester x Merino ewe lambs, March/April 2022 drop. Ewes are sired by Wattle Farm Border Leicester rams and out of large framed Austral Eden blood and Western Australian bred Merino ewes. They have been mulesed and show good frame and first-cross type. Lambs had a tough start with the extreme wet conditions in 2022 but show potential to jump away on better feed and grow into quality breeders to join later in the year. |            |            |
