Notable Traits

	Traits
2 Head	Healed ringworm
4 Head	Slight pink eye scarring

Assessor Comments	On offer is a load of future breeder Angus heifers. Purchased off the breeder ex Wicklow properties in Roslyn, NSW back in May. These heifers have done a fantastic job coming into spring feed. Myanga and Spring Hills bloodlines, they present in forward store condition and would make great future breeders or suit feeders. Please note 4 heifers with old pink eye scarring, not detrimental. 2 heifers with white underneath.
