Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.		
Assessor Comments	Line of 2nd Cross Store lambs that represent the second draft of 450 lambs. Late April to May drop and in store to partly fresh store condition. Lambs that have been drenched after assessment and only need grain or fresher feed to finish of. Frame and good breeding and would respond quickly. Season has declined quickly and too many to finish on farm so offered as a genuine opportunity.
