Assessor Comments

120 GQ Vendor Bred Santa Cross Heifers. These Heifers have Good Bone, Length, Depth & Frame for their Age, with Sound Feet & mostly Tidy Heads. They are from a Highly Regarded Herd & are ideal to retain as long term Breeders. They are also well suited to finish off to slaughter weights on Grass, Crop or Grain. Take note of the compensatory weight gain available in these Heifers. Heifers are very good to handle & they have the added benefit of being bunk trained. All Heifers are genuine Calender Branded, with 2 x No.6's, 94 x No.5's & 24 x No.4's. The No.4 Heifers were mouthed with 18 x solid Milk Teeth & 6 x Two Tooths (some only breaking Two Teeth). Heifers were 100% weighed & assessed after 16 hours off feed & water. They were all PTE with a reproscanner by Madison Godfrey at assessment (very competent non vet contractor, happy to sign certificate if required). Factor above traits into your bidding. Vendor has another 2 mobs of Heifers in the same sale. Vellum is Prickly Acacia Free. Heifers will be sold cents per kg off scales Winton after 12 hours off feed & water. Take note of delivery date, Heifers cannot be delivered any sooner.
