Assessor Comments: 129 GQ - VGQ Vendor Bred Crossbred Heifers. These Heifers have Good Bone, Length, Depth & Frame for their Age, with Sound Feet & Tidy Heads. They are from a Highly Regarded Herd & are ideal to finish off to slaughter weights on Grass, Crop or Grain. The pick would also be suitable to retain as Breeders. They are predominantly No.5's with a handful of No.4's scattered through them. 20 of the Heavier/Older looking Heifers were mouthed with 8 x Two Tooths (Angus Cross Heifers) & 12 x Milk Teeth. I am confident most of the Heifers will be Milk Teeth with the odd Two Tooth. Heifers were 100% weighed & assessed after 18 hours off feed & water. They were all PTE undetectable by Vet at assessment (Dr Hannah Smith, certificate available). Factor above traits into your bidding. Vendor has another mob of Lighter Heifers in the same sale as well as PTIC Heifers in the Eastern States Sale. Ingle Downs is Prickly Acacia Free. Weighed Winton after 12 hours off feed & water. Please note delivery dates as Heifers are running with 2 other Mobs so they will only be mustered once.
