Assessor Comments: A top-quality line of 53 Bald Blair Angus store steers. They average 310.5 kg empty and are an absolute pleasure to handle. This as an opportunity to buy Bald Blair bred & blood steers that are noted for high marbling and excellent IMF traits. The steers are in store condition and would normally run out to feedlot weights but due to the very dry season they are to be sold to reduce numbers. They are ideal steers to put in a feedlot as they have the frame, the breeding and are proven performers in a feedlot situation.
