Any Access To Rams or Stags?	To vendor's best knowledge, the female portion of this lot has had no access to rams or stags.		
Assessor Comments	Offering 465 shorn Composite lambs presenting in store condition. Lambs have had a recent drench and were 5-in-1 vaccinated at marking. It must be noted that they were assessed after a 16 hour dry curfew. These lambs have been grown out on pasture, and recently commenced trail feeding beans three times weekly. They represent the lead of 1000 lambs in their group. The Meekri lambs have proven past performance, both on farm and for previous purchasers and have in the past grown out to heavy trade and export weights. A chance to acquire lambs bred to perform to take through to late autumn/winter trade & export markets. Vendor offers 865 lambs over two lots.
