Assessor Comments	Lead draft of 2nd X White Suffolk lambs out of composite ewes that are only Semptember October drop. The lambs present in fresh condition and are steaming ahead on a summer crop. The lambs have plenty of genetics behind them being by Pioneer White Suffolk Rams out of ewes by Chrome and Yarram Park Rams. There is plenty of shape and bone in them and would make ideal trade lambs or grow into export weights if so desired. Lambs where drenched two weeks ago and are still in a withhold period until the 24th of February,
