Assessor Comments: A/c Weebo Park, Bungowannah NSW, offer a quality line of 32 Black Baldy heifers, 12–13 months of age, carrying proven Landfall and Rennylea genetics renowned for growth, performance and carcase quality. An even line of vendor bred, weaned and grass fed heifers displaying good frame, length and softness, these females exhibit excellent weight for age and the consistency expected from this highly regarded breeding program. They have the genetics and performance to suit any breeding operation or a range of domestic and export market specifications. Heifers weighed between 359 and 465kg curfewed with and average weight of 412kg.
