Assessor Comments	T&S Pastoral have an outstanding reputation for breeding high performance livestock. These heifers are a result of large frame, impeccably bred Friesian Cows AI'd to the ABS In Focus Bull. The cattle exhibit plenty of frame without carrying excess weight, the perfect article to purchase with a history of noted conversion and doing ability. As a reference, their brothers on feed have exhibiting gains of 2.1kg per day. Expect these heifers to perform in the same way given the right feed and management conditions. The cattle are quiet and easy to manage. Also a wonderful opportunity to secure heifers ready to present to the bull. Buy with confidence. These heifers are high performance, noted doing cattle fit for multiple purpose. Please note there are 2 heifers broken white on coat, 1 heifer roan cross coat, one heifer with white socks
