| Assessor Comments            | This is an annual sale of Bellaire 2022 drop White Dorper ewe lambs. No ewe lambs are retained on the property so this the complete 2022 drop. The Bunlce family have been breeding White Dorpers for many years. The flock has been classed on feet and structure so you can buy them with confidence that you will get many of years out of them. These ewe lambs are out of ewes with good shedding ability and should continue to do so. Lambs have had the Gudair and all of their treatments. Don't miss a great opportunity to secure a very nice line of Kaya WA blood ewe lambs. |            |               |
