Assessor Comments	These steers are all vendor bred from the renown New Turee EU angus cow herd. This is an opportunity to purchase some of the high performing angus steers that New Turee have built their reputation around with their females focusing on growth, IMF and fertility. This is a very even run of Angus vendor bred EU accredited steers. These steers are antibiotic free and grass fed, making them eligible for most grass-fed programs. There is the odd steer that has a little bit of white on underbelly,also the odd steer has old blue scar however not deemed detrimental . please refer to photos for a better description. Also please note that these steers recieved a bovilis MH +IBR vaccine on the 20/11/26. details available to the purchaser
