Assessor Comments: Watervalley will offer 96 Angus heifers been a run out the gate from a line of 160. The heifers in this line are very even and have been weighed between 330 kg to 390 kg. These heifer present in forward fresh condition and show very good frame, stretch over a good boned animal. They are capable of fast compensatory weight gains given opportunity. As they are bred on light sandy coastal country, and preform well on good hard feed. All in an all they are an very even line, offering the opportunity purchase 1 mark vendor bred Angus heifers to put away in the paddock or feedlot for heavy weights. The Watervalley cattle are well known for their doing ability and will perform well for those buyers looking for improver cattle to add value to their purchases. In this line there is a few showing scarring from warts but not detrimental to the health of the heifers. Because the Watervalley cows continual run with bull all these heifers have been PT Empty on 24/11/26. Vendor has other lines in this sale which may help to build loads.
