55 Head	Light dag please see videos & photos for reference

Assessor Comments	Opportunity to purchase quality Concordia Merino Blood Wethers off Hawks Nest noted for there ability to shear a large quantity of medium micron wools. They have had a great start with perfect lambing weather. Recent rain has allowed them to grow out outlining their genetic potential. With wool prices still at a high, these wethers are noted at some of the best to generate $, plus the ability to grow out for processors. Note 10% with light dag, see videos & photos for reference. Please note the lead and 2nd draft also in todays sale. Feel free to give me a call to discuss further 0409 412713.
