Assessor Comments	Buyers on offer are 840 proven White Suffolk/Merino suckers suited and ready for either a feedlot or crop-finishing system, offered run out the gate in 2 x 420. Well bred, well grown lambs currently performing strongly. Lambs are out of Warburn Stud White Suffolk rams, Aloeburn and western Riverina bred ‘Curragh’ ewes. Lambs have come through a tough start in an area that is still well behind the rest of the state in terms of feed but are starting to perform, measuring on the optiweigh 180g/day weight gain over the past 30 days and more recently 210g/day over the last 14 grazing on a vetch crop. 20% weighed from 30-46kg to avg 40kg at assessment. Majority of lambs will be cross weaned until delivery, returning to the same vetch crop, hence the ewes in photos. Please ring with any questions.
