Assessor Comments	A good to fair quality line of PTIC heifers joined to a "Rangarai" Angus bull. There is a range of frame in these heifers with most medium, 2 head large frame (the Santa crosses) and 2 head small frame. They are PTIC (certificate attached) in very good condition, will suit a restocker looking to rebuild a herd. One heifer noted with a slight bluish tinge in one eye and one Angus cross heifer is a very light brindle.
