Assessor Comments	25 Vendor bred, top quality Shorthorn hfrs, Royalla blood, joined to low birthweight Royalla sires for Winter calving. Only for sale due to being a few weeks later than main calving window. These hfrs are not culls. Will continue to grow into heavy boned, productive breeders with quality the major factor. Ideal replacements on the cusp of producing a calf in the near future. Highly recommended breeders. NB 25 Santa/Droughtmaster hfrs in same sale, same joining.
