Assessor Comments	On offer is 200 lambs Av41kg. These lambs are only being sold as the property has now been Leased out. Normally lambs are retained and grown into heavy trade lambs. Since weaning, they have been on improved pastures of clovers and grasses and have done extremely well. All Lambs have been cruched had a B-12. Shear them and given good feed these lambs will grow into heavy weights. Don’t miss this chance to get your hands on a run of very good store lambs with genetics to back them.
