Assessor Comments	A nice line of 205 quality wooly ms 2nd cross lambs bred out of med-large frame composite ewes, sired by high index SU Rams and ELLA MATTA BLD WS rams. This consignment has a a nice tight line of weights 32-42KGS., ave 36.2KGS., hence the line will finish evenly. These lambs have plenty of potential, are very fresh, weaned, have good weight & are very young so have plenty of time to grow out into export weights given the right feed and conditions. The dirty lms will be crutched prior to delivery.
