Assessor Comments	Very good to good quality Hereford cows. Cows are EU and MSA accredited. Cows are medium to large frame. Cows are in calf to Wirruna registered bulls. Cows are in lighter condition due too calves have recently been weaned off them. Marjory of the lighter weight cows were the 2.5yr olds, that have done a very good job of their calves Cows were quiet and easy to handle at assessment. Buyers please note one cow had pink eye scarring in one eye and one cow had a longer toe.. Also vendor has two other lots in this sale.
