| Assessor Comments | A line of 6 year old Angus cows & Calves. Cows are doing a great job on their 4th calf at side and have not had an opportunity back to a bull giving the purchaser the option of how how they would like to join them. Cows were purchased ex the local area as PTIC cows to an Angus bull. A line of tidy units that would bounce along very well given the opportunity either to retain as breeders or as a trade. The vendor has agreed to deliver to Moss Vale Saleyards to assist with the co ordination of trucks. |
