Assessor Comments	Excellent quality small line of PTIC hereford females 6-8 yrs. Due to commence calving in august these females are genuine large frame in forward condition. They stand well on their feet and carry their weight well for their age. Joined to Milwilah and KO Angus bulls. Please note no cattle could be mouthed in the setup but were bought as genuine 2015/2017 drop from a herd dispersal at glen innes in 2021. based on the condition of these females i would suggest they carry sound mouths but not guranteed.
