Easy lot of heifers to handle in the yards. Drafted off well from their calves, all with a good brain and good block. Led up the race easily and were sensible standing in the crush to be weighed. All exited quietly and settled back with their calves. Blocked up in a corner in the paddock and were good to walk up to on foot to take photos/videos. Still some hesitation in them, and further handling will help them to gain a bit more confidence.

Assessor Comments	Nice little line of Bongongo Angus Blood heifers with fresh, healthy Bongongo Angus Blood Calves at Foot. Structurally correct heifers, all carrying a very good supply of milk and doing an excellent job on their calves, going forward with the season and will be ready to tip back out with the bull of your choice in the coming few weeks. Only a small offering, but a very nice line to top up your Spring calving numbers and utilise some feed, or for a small holding.
