Assessor Comments	16 x 16 Banquet Angus blood heifers with calves at foot, presenting an excellent opportunity to secure a line of extremely well-bred young females with quality Jade Park Angus blood calves at foot. Heifers display great shape, length, and weight for age, reflecting the strength of their breeding. They are a well-grown, productive line of females that will suit buyers seeking to add quality genetics to their breeding herd. Calves were marked and vaccinated at the time of assessment. A quality line of Angus heifers with strong maternal traits and well-bred calves at foot, offering immediate breeding and production value.
