Assessor Comments	Attention Buyers. On offer 104 X 104 Charbray cross, young cows and calves. These genuine cows and calves are 5-years-old and younger and would be ideal breeders, or represent a great split trade option in the near future. Cows are in store to forward store condition and are doing a great job on their good sized calves. Very well handled, and have been in a cell grazing operation on predominately sliver leaf ironbark forest country. These units could go anywhere and keep performing. ** Vendor has 3 lots of Cows and calves in total on this Sale** Please note the very odd cow with buffalo fly scarring, blight scarring, needle lumps ect. all deemed not to be an issue.
