Assessor Comments: Second calved Speckle Park cows. One cow with a spring born calf rejoined for spring this year, three cows with autumn born calves. Calves by registered Speckle Park bulls Hillview Ned and Glengarry Pick up. All outfits currently running back with white registered Speckle Park bull Baw Baw Speckle Park Q6 since 23/5. Three orange tag cows originate off Clover Cottage and are F2s (second generation) The green tag cow is a F1 Speckle Park/Angus cross, she has the big spring born calf on her and is joined to calf in spring again. These cows are big, long cows have more frame to them then what a Speckle Park cow traditionally does. Note the heavier weight. Very nice attractive young outfits. Please note, vendor willing to leave spring calved cow out if buyer only wanting to buy autumn calvers. Vendor also has 2 other lots in the same sale.
