Banool cattle are quiet and easy to handle.

Handled With	Bikes , On foot , Vehicles

Assessor Comments	A good line of well bred, well grown PTIC Hfrs that are set up to calve in early spring. These hfrs are only being sold to straighten up the herd to a pure Poll Hereford herd. These Hfrs were selected to be kept but due to good scanning results are now on the market. Well grown rising 2.5 yr hfrs that should be easy to calve out and go on to be great Matrons.
Assessor	**Tim Jewell (Level 1 Accredited)** Phone: 0429 390 033
