	Cattle were a pleasure to handle, flowed very well through race and crush. A moderate percentage of cows became slightly agitated when in the crush but quickly returned to a calm matter when released back to the mob. Please view videos for full satisfaction of temperament.		
Handled With	Bikes , Dogs		
Assessor Comments	Buyers on offer is a beautiful line of predominantly 2nd Calf Cows and Calves that will not disappoint. The cows are doing a fantastic job on the calves. These Cows and Calves are an ideal mob to join a breeding herd with their whole lives ahead of them. Cows have been running back with Booroomooka & Eastwest Angus bulls. Calves are sired by also by same bulls. Calves are all strong and powering ahead. These impressive calves averaged 150kg with a fair percentage weanable. These are a tremendous line of young breeders that are sure to impress.
