Assessor Comments	A Lovely line of Charolais & Charolais Cross heifer that are PTIC to Angus bulls. These heifers will make outstanding breeders for the future. Please note there is one heifer that has been treated for a foot abscess some time ago that can be left out if required or sold at a reduced rate. As described in joining details a number of these heifers are due to calve early November. All heifers will be assessed at the point of delivery and if any are deemed unfit/too close to calving to travel they will be removed.
