Assessor Comments	These rising 3 year old Cows are account of the Noorilim partnership and are out of a self replacing Rennylea based Cow herd. The Angus sires purchased have been selected on high growth 400-600day and an emphasis on high marbling for many years and are cattle that are renowned performers to many feedlots. These Heifers are pregnancy tested in calf to high indexing Sunnyside Wagyu Bulls for their 2nd calf. Bull pedigrees and figures are attached in the links. These Heifers are due to calve at the end of September for 5 weeks being identified by the vet via ultrasound to calve in the second half of the calving window.
