Assessor Comments	Buyers here presents the opportunity to secure an outstanding run of spring drop cows & calves acc. EA Prowse "Frederick Hill". Cows are majority 2016 drop with only two 2017 drop. Cows commenced calving on the 25/07 & finished on the 25/09. The Prowse's have been purchasing top end sires from the well renowned Te Mania stud for the past 20 years. Bull selection is a stringent process where key traits such as moderate birthweight, 400 day growth, temperament & structural conformation are a key focus! Cows are taking full advantage of the prosperous spring & presenting in prime condition, are carrying plenty of milk & doing a wonderful job on the calves at foot. This line would be a welcomed inclusion to most spring calving operations. Buyers please make note the vendor has one more lot on offer in this sale.
