Notable Traits	Traits 5 Head Blue eye scaring not dreamed to problem and won't affect breeding stock		
Assessor Comments	A good line of young females that have been joined to quality Barwidgee & Hazledean Angus Bulls & Yalgoo poll Hereford bulls. Cows present in light store condition having just weaned a calf last week and will improve rapidly given more feed. The cows have been joined for a 10 week joining, commencing 1/12/22 for a suggested calving early September. Cows present in store condition and have plenty of frame. Please note the vendor is also offering an additional 95 steer weaners off these cows in today's weaner sale. There is also a small percentage "4 or 5 hd" of cow that have old pinkeye scaring causing a blue eye.
