|---|---|
| Handled With | On foot , Vehicles |
| Assessor Comments | A good line of Mature Aged cows with young calves at foot. Cows are in good condition for age and are doing a good job on their calves. Good units for a split job later on once calves are big enough. Please note, their is 1 Red Baldy calf, 3 cows with white on udders & 2 cows noted with dropped udders. Good cows that will still perform well given the right opportunity. |
