Assessor Comments	73 Angus X Heifers. These heifers are PTIC to top LBW Te Mania Angus bulls for a late Spring calving. Heifers have been purchased x Auctionsplus direct from breeder in Southern Queensland. They are very neat even line of predominately Angus X Brahman heifers showing great bone and type to them with a mile of length and depth of body. Heifers have plenty to style and flesh about them and will continue to develop into a beautiful line of cows into the future. A great mix of hybrid vigor and heifers that will not disappoint!
