Assessor Comments	A very quiet line of Charolais Holstein X 2nd calvers doing a wonderful job of their calves. These cows are nice big framed females with neat udders that have already proved themselves as great mothers with their first calves. The calves are showing good shape and size and with these mothers will grow into nice vealers or store weaners. The cows were purchased as heifers with the property and the vendor has decided to change operations and move these on. Note 2 cows with lumps on neck from vaccinations
