Assessor Comments	Vendor Bred EU ACCREDITED Angus Cows. Offered are young cows, ranging from 2019 drop to 2021 drop, they present in fresh/forward store condition and are ready to join to the bull of your choice. These are pure Milwillah Blood Cows and the vendor has used Milwillah Sires exclusively for the past 30 years, buying the top end of their bulls every year. These cows have been preg tested empty however their joining may have been effected due to significant flooding on the property late last year and are definitely worthy of a second opportunity. Buyers please note there are 2 cows that have cloudy eyes due to old pink eye scaring, not deemed detrimental. These cows have all been well handled with horses and dogs and would suit a smaller operation or larger producers looking to add quality cows to their herds.
