These cattle have been run on vendors second property. Some were slightly stirry when drafted. Cattle have been weaned to main property yards to be handled.

Handled With	On foot , Vehicles
Assessor Comments	Quality line for sappy Quarterway/Tamaroo blood weaned steers. Cattle were unweaned at time of assessment and currently have been transported to main property for weaning. These steers have plenty of cover and size and will grow quickly into heavier trade/export weights given the chance. Please note: one steer has white behind his pizzle. Cattle are NEVER EVER accredited and will be delivered to Powranna at vendors expense.
