Handled With	Bikes , On foot , Vehicles
Assessor Comments	A good line of Angus x Angus cross Heifers and calves. Heifers present in healthy store condition and they are doing a great job on calves. The cows average 504kg full at assessment, and the calves by Angus bulls averaging 92kg. They present a good opportunity to re-join and add to the cow herd for future breeding. 4 heifers with cloudiness or white spot in one eye only.
