Temperament	Yards	Crush	Paddock
	Quiet: 10 head	Quiet: 9 head Slightly Stirry: 1 head	Temperament not assessed in Paddock
Handled With	As a group they were good to handle. They moved freely through yards for the assessment. Bikes , Dogs , Horses		
Assessor Comments	Nice quality line of NSM cows and calves. They are milking extremely well and this shows through the freshness of the calves. These females would equally be suited to be returned to the bull or carry through and split the unit when required. They carry good temperament and a majority large frame types. Cows stand well on their feet. One cow has a fleshy small lump above its foot but not affecting its movement in anyway.
