Well handled quiet cattle, straight off mum so will settle even more. Two were more agitated in yards than others.

Assessor Comments	A nice even one deck line of mixed sex Brahman weaners. Cows have done an excellent job with these weaners. They were purchased as cows and calves earlier in the year. Cows are large framed Good Quality Cows, sired by Brahman Bulls. A % of these weaners would have other influence such as Simental and Angus but they have thrown more back to Brahman. These would be ideal backgrounders to target the brahman feeder weights. One weaner had a graze up the neck area, which wasn't seen as detrimental in any way. PLEASE NOTE VENDOR HAS 3 x LOTS IN SAME SALE. Loading of weaners to be completed by Tuesday 19th July
