| Quiet: 35 head | Quiet: 38 head | Quiet: 34 head |
| Slightly Stirry: 5 head | Slightly Stirry: 10 head | |

The Temperament of these heifers are a true credit to the vendors. heifers walked through the yards and crush with ease. Some heifers stirred slightly when put through the crush and head bale but settled very quickly when returned to the mob.

| Assessor Comments | An excellent opportunity to purchase a two deck line of store condition EU Organic (NOP & ACOS) and MSA accredited angus cross heifers bred on light coastal country with large compensatory weight gain potential. These heifers have been weaned and are ready to perform on most country types. These heifers have good softness and an excellent temperament and would suit most feeder and slaughter markets or to take through as future breeders. |
