Heifers are good to handle a couple got a bit agitated while weighing and drafting as per normal behavior of cattle that age. Soon settled once back in the mob

Handled With	Bikes , Horses , On foot
Assessor Comments	A nice line of quality weaner heifers that have plenty of frame and shape. Ideal heifers to grow out for the butcher trade or feeder market. Heifers are natural polls and would make excellent breeders. Cattle are located in a tick area but there is no signs of ticks. Property has been clean for some time and the vendor guarantees the cattle should clear to clean country. Buyers please note the brothers are also listed for sale.
