Assessor Comments	Great oppurtunity to purchase a draft of heifers that are only for sale as their calving doesnt match the main herd. These heifers are in ideal condition with generally plenty of frame and are not overdone with condition which in my view is the perfect way to have them. We purchased better end of heifers at last years Western district weaner sales which is generally what these heifers are. Kooba have a grerat name through the Wagyu world and buyers can buy with confidence and have faith the job is done properly.
