Assessor Comments	A line of well bred Angus weaner heifers with 1 showing a little cross presenting in store to fresh condition. Heifers have been bred on lighter sandy country and show good frame for weight. Heifers have very good genetics being by Ascot and Clunie Range Angus bulls. These heifers would suit future breeders as no heifers have been retained this year. Heifers were runny in yards to handle as they just come off mum but will be weaned from time of assessment. A percentage of heifers did stir in crush as assessment. **PLEASE NOTE** Vendor has several lots in the sale.
