Assessor Comments	An opportunity to purchase a line of medium framed F1 Heifers with Mistletoe blood Limousin calves at foot that would be a fantastic addition to add to an existing herd that still have room to grow and mature to be a true F1 vealer mother. Heifer were purchased at the annual VLE (Leongatha) F1 Female Sale in February 2022. Heifers displaying good mothering characteristics as seen in the young fresh calves. Shown the feed and time, they will develop into a nice line of young cows ready to be joined to the bull of your choice. Please note the vendor has another draft of 15 Heifers and Calves in the sale.
